Hi Cynthia,

Thanks very much. FYI I left a voicemail with Isolina this afternoon around 1 pm letting her know that I was gathering information and would like to wait until that process was complete before meeting.

Best,
Mary

Hello Isolina,

We are currently investigating the incident and I expect to have a report from Campus Safety in the am. Until an assessment that there is no imminent danger or other safety concerns, she may elect to remain home until we discuss and determine what may be necessary to resolve this issue. If you have any immediate concerns, please feel free to contact me by cell at 313.590.8804. Thanks, Cynthia

Dear Eric and Cynthia

I need to meet with you as soon as possible to discuss a serious incident that occurred last week in the graduate studies between Marilyn Barton and Marjorie Phillips.

I reached out to Mary Davis and she said she needed to find out the protocol before discussing the incident. I also reached out to Natacha this morning asking her to reach out to Mary Davis. I haven't heard back from her either.

Since Marjorie doesn't feel safe in the same office with Marilyn, I have reached out to Mario Cabrera to ask for a security escort for Marjorie until further action is taken.

I'm available tomorrow between 1:30-3:00.

Please advise.

Thank you.

Best,
Isolina
